

WICHITA ART MUSEUM

Family & Youth Programs

January through April 2021

be inspired and CREATE!

Keeping everyone safe

WAM will offer artmaking activities with special protocols:

- ♥ All art activities will be modified to ensure a safe and healthy environment for kids.
- ♥ Face masks are required for children, except infants and kids in strollers.
- ♥ Participants will be spaced at least six feet apart for social distancing.
- ♥ Participants will be clustered to restrict mixing.
- ♥ Immediate contact will be strenuously avoided.
- ♥ Supplies and materials will not be shared.
- ♥ WAM will provide hand sanitizers in the Living Room, Art Studio, and select areas in the museum. During programs, visitors will be asked to clean table stations after their session and before the next group. These spaces with high-touch locations will be cleaned by WAM staff four times during public hours—or every two hours.
- ♥ WAM will also continue to monitor the current local health and safety guidelines and make any changes or cancellations as needed to ensure safety.

WAM's Art Garden is open and free every day of the year!

THE BIG LITTLE READ

Saturday, January 9

WAM loves readers! The Wichita Public Library organizes The Big Read every year, encouraging Wichitans to read a book as a community. This year's Big Read selection is **CIRCE** by Madeline Miller, a novel about the Greek goddess Circe. Tune into the Big Read Kick Off that airs on KPTS from 2:30-3:30 pm, Saturday, January 9, for special announcements and to find out more about **CIRCE** and the companion books for younger readers.

Swing by the museum for a fun take-away art activity that pairs with this year's book selection. Families can pick up a free bag of art activities and supplies at WAM on Saturday, January 9 from 10 am to 5 pm. Bags will be available at the front desk while supplies last. Can't make it to the museum? You can still enjoy this fun artmaking activity at home using simple materials you have on hand at home along with instructions and examples posted online.

WAM is proud to partner with the Wichita Public Library promoting reading throughout the community.
